## **INTRODUCTION & LEGISLATION**

### **Basis of Authority**

- 1.1 Section 44 of the Local Government Act 1999, provides that a Council may delegate a power or function vested or conferred under the Local Government. Some other Acts also contain a specific power of delegation.
- 1.2 A Council may elect to delegate its powers, functions and duties to the Chief Executive Officer, (which also extends to any person appointed to act in this position during absences of the Chief Executive Office) who may then sub-delegate the powers and functions to other responsible staff. Council may also delegate their powers and functions to a Committee of Council, a subsidiary of the Council and the Council Development Assessment Panel. Other Acts may specify different delegates than the Local Government Act 1999.
- 1.3 It is important to acknowledge, that delegating a power does not transfer that power from the Council to the delegate, it merely replicates it. A delegation made pursuant to Section 44 of the Local Government Act 1999 is revocable at will and does not prevent the Council from acting in a matter.
- 1.4 The primary purpose of delegating powers and functions is to facilitate an efficient and effective organisation by allowing decisions to be made by the staff who carry out day to day operations.
- 1.5 There are a number of powers and functions of the Local Government Act 1999 which the Council cannot delegate. These are set out in Section 44(3) of the Local Government Act 1999. If the Council purports to delegate any of these powers or functions, that delegation would be ineffective. Any action undertaken in reliance on that delegation would be unauthorised. This may cause legal and administrative problems for the Council.
- 1.6 Pursuant to Section 44(3) of the Local Government Act 1999 there are a number of matters which Councils cannot delegate. They include the following:
  - 1.6.1 power to make a by-law;
  - 1.6.2 power to declare rates or a charge with the character of a rate;
  - 1.6.3 power to borrow money or to obtain other forms of financial accommodation;
  - 1.6.4 power to adopt or revise a strategic management plan of the Council;
  - 1.6.5 power to adopt or revise an annual business plan or budget of the council;
  - 1.6.6 power to approve expenditure of money on works, services or operations of the Council not contained in a budget approved by the Council;
  - 1.6.7 power to determine annual allowances under Chapter 5;
  - 1.6.8 power to approve payment or reimbursement of expenses that may be paid at the discretion of the Council and for which the Council has not adopted a formal policy or made specific financial provisions;
  - 1.6.9 power to establish a subsidiary, or to participate in the establishment of a regional subsidiary;
  - 1.6.10 power to make an application or recommendation, or to report or to give a notice, to the Governor or the Minister, being an application, recommendation, report or notice for which provision is made by or under

- this or another Act;
- 1.6.11 power to fix, vary or revoke a fee under section 188(1)(d) to (h);
- 1.6.12 a power or function excluded from delegation by the regulations.
- 1.7 Section 44(4) of the Act also provides that a delegation:
  - 1.7.1 is subject to conditions and limitations determined by the Council or specified by the regulations; and
  - 1.7.2 if made to the Chief Executive Officer authorises the sub-delegation of the delegated power or function unless the Council directs otherwise and if made to anyone else authorises the sub-delegation of the delegated power or function with the approval of the Council; and
  - 1.7.3 is revocable at will and does not prevent the Council from acting in a manner.
- 1.8 Section (6) provides that the Council must cause a separate record to be kept of all delegations made under Section 44, and should at least once in every financial year review the delegations for the time being in force under Section 44.
- 1.9 Section 44(7) provides that a person is entitled to inspect (without charge) the record of delegations under Section 44(6) at the principal office of the Council during ordinary office hours.
- 1.10 A record of delegations is a public record, and may be inspected free of charge, or copies may be made available to any person on the payment of a fee fixed by the Council.
- 1.11 Decisions made under delegated authority are subject to Council's Procedure for the Internal Review of Council Decisions as if the decision had been made by the Council itself.
- 1.12 Section 101 of the Local Government Act 1999 provides that the Chief Executive Officer may delegate (or sub-delegate) a power or function vested or conferred in or on the Chief Executive Officer under the Local Government Act 1999. Section 101 sets out various other matters in relation to delegations (or sub-delegations) by the Chief Executive Officer.
- 1.13 A delegation by the Chief Executive Officer made under Section 101 of the Local Government Act 1999 may be made to an employee of the Council, or to the employee for the time being occupying a particular office or position, a committee comprising employees of the Council, or an authorised person.

### Philosophy and Principles

- 2.1 It is acknowledged that for the efficient operation of Council the powers for effective decision making should be delegated to the Chief Executive Officer and then to personnel actively involved in the day-to-day operations. This process then allows for Council to place a greater emphasis on determining the overall directions and policies of the Council and on monitoring performance.
- 2.2 If the Chief Executive Officer sub-delegates a power or function made to him/her by the Council to an employee of the Council, the employee is responsible to the

Chief Executive Officer for the efficient and effective exercise or performance of that power or function.

- 2.3 It is also recognised that certain principles must be enacted to provide assurance that the powers and functions delegated are carried out in accordance with the legislation.

These include:

- 2.3.1 All delegations are to be exercised in accordance with management principles, such as accountability, transparency, diligence and probity and due care.
- 2.3.2 Responsible Officers will be accountable for the delegations they exercise. Staff will be supported via training if necessary, to ensure they have the necessary skills, competency and qualifications (if required) to undertake the duties.
- 2.3.3 Sub-delegations from the Chief Executive Officer may be made subject to conditions or limitations and the delegate can only act in accordance with the conditional delegations.
- 2.3.4 If a decision is likely to create a high level of local or community interest, consideration should be given by the delegate to refer the matter to the appropriate Committee and/or Council.

#### Responsibilities of the Chief Executive Officer

The responsibilities and functions of the Chief Executive Officer are outlined in Section 99 of the *Local Government Act 1999*. These include:

- Ensuring that policies and lawful decisions of the Council are implemented in a timely and efficient manner.
- Taking responsibility for the day to day operations and affairs of the Council.
- Ensuring that the assets and resources of the Council are properly managed and maintained.
- To exercise, perform and discharge other powers, functions or duties conferred on the Chief Executive Officer by or under *the Local Government Act 1999* or other Acts, and to perform other functions lawfully directed by the Council.

The Chief Executive Officer is responsible, amongst other things, for ensuring the Council abides by current laws and regulations that affect its operations in relation to finances, facilities, human resources, investments, provision of services and governance matters.

District Council of Peterborough  
PO Box 121  
PETERBOROUGH SA 5422

Dear Mr Heath

**Re: *Tobacco Products Regulation Act 1997***

Thank you for your email dated 30 March 2016, seeking authorisation of 1 employee of the District Council of Peterborough under sections 49-52 of the *Tobacco Products Regulation Act 1997*.

SA Health acknowledges the District Council of Peterborough for its pro-active approach to protecting the health of its residents and visitors; setting an excellent example for other Councils to follow.

With the assistance of Local Government, SA Health's aim is to initiate a cultural shift within the community in order to reduce the risk to public health from exposure to tobacco smoke, and to help prevent children from perceiving smoking as normal. To help in achieving this it is recommended that an emphasis be placed on educating individuals about the new smoke-free laws and changing community attitudes, just as with existing smoke-free areas legislation.

Please find attached a copy of the instrument of appointment for the yourself, a District Council of Peterborough employee listed below, signed by Dr Chris Lease, delegate of the Minister for Mental Health and Substance Abuse.

- Lawrence Craig Harrison HEATH

As required by section 64 of the *Tobacco Products Regulation Act 1997*, photo identification cards will need to be created or modified for the abovementioned officers detailing the Act and specific sections under which they are authorised.

Also attached are relevant fact sheets detailing the new smoke-free laws, with further information available at: <http://www.tobaccolaws.sa.gov.au/Default.aspx?tabid=192>. If you have any further queries, please contact me on telephone: 8226 7100 or via e-mail: [nicholas.baker@sa.gov.au](mailto:nicholas.baker@sa.gov.au).

Yours sincerely
